RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 29-274F and 29-2402

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

 X COPY OF DEED, TITLE POLICY, CONTRACT OF SALE, OR OTHER
LEGAL DOCUMENT indicating your ownership of the property and water rights in
question,

 X Additional Applications

 X FILING FEE OF \$25.00 PER WATER RIGHT NUMBER, \$100.00 PER
WATER RIGHT IF SPLITTING THE RIGHT

On December 18, 2008, our department received a Quitclaim Deed for water rights, which was not notarized; this document needs to be signed in front of a notary in order to make this a valid document. Please have this notarized then resubmit it to our department. Also, it appears you will be changing the place of use of your water right. Our department requires a transfer application, enclosed, in order to complete that process. There may be additional fees associated with that process as well.

Because the department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary items.

If you have any questions about this matter feel free to contact Nate Arave, Water Right Agent at (208) 525-7161.

Respectfully submitted,

Jonie Barg

RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 29-274F, 29-274I & 29-2402

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. During my research of your above described notice I found that all the property associated with water right number 29-274F was transferred and the department will process your ownership change for water right number 29-274F as soon as possible.

Also, during my research of your Notice of Change in Water Right Ownership I found that with the deeds submitted with your request, Water Right Nos. 29-274I and 29-2402 will require a split. Please find a map attached showing the place of use for this water right and the property purchased according to the warranty deeds submitted. Please review this information and if you agree the water right will require a split, please submit the additional fee in the amount of \$150.00. There is a \$100.00 fee per water right to split the right. If you do own all the property associated with these two water rights please submit the additional deed and our department will process your ownership change as soon as possible.

Because the department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary items.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.
