If additional time is needed – just give us an idea of how much. This has gone through the advertising process without protest (protest deadline is past) but Bob and Keith wanted comments or input from Planning before issuing the Permit.

Hi, Dianne.

Nick Scheidt will review this application and provide comments. However, we are unable to respond by the August 29 deadline, due to field work. Please let him know if this is a final comment deadline or if there is later date which will be sufficient.

Hi Helen,
