Dear Mr. Peppersack:

I just returned from being out of the State and opened your recent letter with the accompanying revised water license. I am preparing documents for Rob Harris and doubt that I'll be able to meet your fourteen day deadline. I therefore request an extension.

I agree with you in your assessment that the transfer of the prior license was proof that the transfer payment had been made. Had Ernie Carlson and Candice McHugh arrived at the same conclusion the original license would not have been forfeited. Further we did utilize the license between 1964 and 1989 as previously stated.

I kindly request, that you grant an extension beyond the fourteen days, while appropriate process for resolution is determined.

Sincerely,

Tom Summers
