WATER RIGHT NO. 71-07179

ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, DAVID R. TUTHILL, JR., of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 71-07179 with the following:

CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 170.
2. When notified by the Department, the right holder shall report the quantity of water diverted on a quarterly basis, for each quarter when diversion occurs.
3. The diversion and use of water described in this right may be subject to additional conditions and limitations agreed to by the protestant(s) and the right holder under separate agreement to which the Department is not a party and which may be enforceable by a court of law.
4. This right is for the diversion of ground water to fill two reservoirs totaling 3.2 af. The total combined diversion volume under this right and Right 71-7178 shall not exceed 3.2 af plus the amount necessary to replace evaporation and seepage losses from the reservoirs, up to a combined maximum of 4.2 af.
5. The right holder shall use power records to determine the amount of water diverted and shall annually report the information to the Department, until such time the Department determines a measuring device and datalogger are needed.

Witness my hand this 5th day of December, 2008.
