RE: Change in Ownership for Water Right No. 67-10755

Dear Interested Party:

Our letter of July 10, 2008 (copy enclosed) requesting a signature on the notice submitted remains unanswered. Therefore, I am returning the Notice of Change in Water Right Ownership request and have requested that a refund of the fees submitted be mailed to Bill G. Gladhart. Copies of your ownership change request information will be kept in our files for reference.

I also would like to note that when I looked at the tax lot data, it does appear that the property has been divided between Gary Gladhart and William G. Gladhart. The water right was decreed for domestic use of one home with the property being known as 2756 Gladhart Ln. I have enclosed a copy of the partial decree and water right report for reference as well as a new change in water right ownership for your use should you wish to complete the change in water right ownership.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
