RE: Change in Ownership of Water Right No. 95-7688

Dear Interested Party:

The Department of Water Resources received your Notice of Change in Water Right Ownership on August 27, 2007. On February 8, 2008, the department sent a letter (copy enclosed) requesting additional information. As of this date, no response has been received.

The department must see a copy of the conveyance document which conveyed the property and/or water right to you. The buyer's estimated settlement statement is not sufficient evidence that the property was conveyed.

As stated before in the previous letter, the Department cannot process the ownership change without the proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".

Emalee Rushing
