RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 29-12552

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

 X Agreement

The department is unable to complete your request without additional information, with talking to Ernie Carlsen in our office; we have come to a determination that the department will require an agreement containing the previous use of this water right or additional information regarding the previous use of this water right. If you are unable to locate any of this information, another option would be to file a Notice of Claim.

Because the department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary items.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
