Easement Agreement

I, Michael Olsen grant an easement to Dawna Karine Olsen for the culinary line that provides water to her house. Any maintenance that is required on the system can be completed, with the understanding that the site will be returned to the condition that existed before work started. This easement will allow for repairs and maintenance to be completed and the line installed will only provide water for the current dwelling and surrounding yard area.

RE: Application for Permit No 13-7730

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Caribou County Sun on December 18 and 25, 2008. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Sharla Cox

RE: Application for Permit No 13-7730

Dear Watermaster:

A copy of the above referenced application is enclosed. Please review the application, then complete the enclosed recommendation form and return it to this office within 21 days of the date of this letter.

IDWR's regional offices can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered during regional review. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.

Sincerely,

Blake Jordan

RE: Application for Permit

Dear Applicant(s):

The Department of Water Resources has received your water right application. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application to allow you to complete the necessary items. The required information is described below.

The Landowner Agreement was not provided correctly. We need a letter from Michael Olsen granting an easement.

The Place of Use or acres irrigated was not provided correctly. You wrote on the application that the place of use is in the SESE QQ of 10S 40E 22. The map shows the place of use in the NESW QQ of 10S 40E 22.

Please feel free to contact this office if you have any questions.
