RE: Change of Ownership for Water Right 35-12117

Dear Water Right Holder(s):

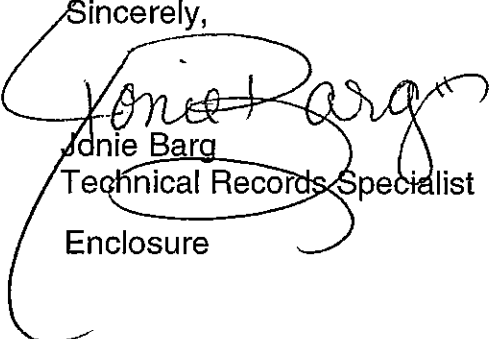

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

As indicated in your request you also have ownership in another water right 35-8865 which is associated with an active transfer, 74738, the ownership change will be completed for your portion of that water right at a later date along with the transfer process.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
