Gary,

Attached is Halper's list that was in his binder that I've scanned. I'll just keep the exhibits and you can get them at the time of the hearing unless I hear otherwise.

Gary,

We received in our office today a large packet of exhibits from Rob William's office which appears you are being sent the same thing in the mail.

Additionally we received a binder from Halper which appears is the original submission and you were not sent a copy. Please let me know if you want me to send the Halper binder to you.
