**LEGAL NOTICE
PROPOSED CHANGE OF WATER
RIGHTS**

Alpine Creek LLC of 5529 W. School Ridge Rd., Boise ID 83714 filed Application No. 74752 to transfer 5 irrigation water rights with 1919 through 1960 priority dates from Dry Creek and Spring Valley Creek totaling 2.44 cfs. The purpose of the transfer is to add a point of diversion on Dry Creek, slightly modify the 122 acre irrigation boundary, and correct several errors in the records. For example, Spring Valley Creek is mistakenly listed as Spring Creek and Spring Creek Ditch in the current records. The proposed new diversion on Dry Creek is about 0.3 mile downstream from where Hwy 55 crosses the creek. The general site is near the Hwy 55 and Dry Creek Road intersection north of Eagle.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at: 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications." Protests may be submitted based on the criteria of Sec. 42-222, Idaho Code. Any protest against the proposed change must be filed with the Director, IDWR Western Region, 2735 Airport Way, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before October 20, 2008. The protestant must also send a copy of the protest to the applicant.

DAVID R. TUTHILL, JR.,
Director
