RE: PERMIT NO. 94-7424

Dear Permit Holder:

Enclosed is the original Proof of Beneficial Use statement you submitted in connection with the above referenced water right permit, received on November 12, 2008. Based on this permit you are permitted to divert a maximum of 0.20 cfs of which the license exam fee would be \$50.00. I cannot accept your proof until it is submitted with the appropriate examination fee.

If the fee and the statement of completion form are not received by the Department on or before January 1, 2009, the permit will lapse. For your information, I am enclosing a copy of the proof instructions and license exam fee schedule.

Please return the original proof statement and filing fee to my attention at the above address. If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,
