RE: Ownership Changes for PERMIT NO. 97-07276 and PERMIT 97-07279

Dear Mr. Clark:

The purpose of this letter is to update you on ownership changes for the water right numbers listed above. I have also enclosed a receipt for the \$50 payment and a photocopy of one of your Assignment of Permit forms reflecting the payment.

The documentation you provided with the \$50 payment establishes the chain of title for the ownership change from you to Laura Clark and from Laura Clark to Eva Masin, Nolan Clark and Abram Clark. The total fee required by Idaho Code for these changes is \$100.

The \$50 payment is adequate to cover the fee for only one ownership change (the one from you to Laura). An additional \$50 is required to complete the ownership changes from Laura to Eva Masin, Nolan Clark and Abram Clark.

I have finished preparation work on Water Right License 97-07276. The License can be issued to Eva Masin, Nolan Clark and Abram Clark once payment of the additional \$50 is received by the Idaho Department of Water Resources (IDWR) Northern Region office in Coeur d'Alene.

Please contact me as soon as water conditions allow completion of the Field Examination for Permit 97-07279. Completion of the Field Exam is required before 97-07279 can be converted to a license.

Please contact our office at (208) 762.2800 if you have any questions.

Respectfully,

Shaun M. Maxey
