FIELD EXAM NOTICE

RE: PERMIT NO. 97-07276 and PERMIT NO. 97-07279

Dear Permit Holders:

I am planning to conduct water right Field Examinations in the vicinity of the above-referenced permits during September 2008. An examination is needed to verify your water use in order for the Idaho Department of Water Resources (IDWR) to issue water right licenses. It has come to my attention that changes may have occurred in the ownership of the land, and/or the place where Permit 97-7276 and/or 97-7279 water was to be used, since the Proof of Beneficial Use was submitted.

Please contact me to schedule a Field Exam at the property and to clarify any water right changes that may have occurred at the property for the above referenced permit numbers. Please be advised that a person who is familiar with your water system(s) must be available to operate the system under normal conditions during the Field Examination.

Please be advised that Section 42-248, Idaho Code, effective on July 1, 1996 requires you or the owner of these water rights to maintain current ownership and address records on file with IDWR. I have enclosed Assignment of Permit and Change of Address forms for your convenience. The forms should be completed and mailed to the IDWR Northern Region office if an address change or change in ownership of the Permits has occurred. Forms are also available on the IDWR Internet web site at <http://www.idwr.idaho.gov/>.

I can be reached at (208) 762.2800/2816 or via e-mail at Shaun.Maxey@idwr.idaho.gov if you have any questions.

Respectfully,

Shaun M. Maxey
Senior Water Resources Agent
