### FIELD EXAM NOTICE

RE: PERMIT NO. 97-7276 and PERMIT NO. 97-7279

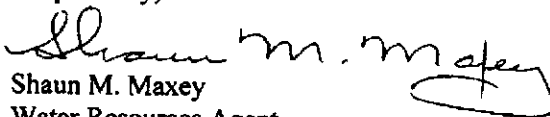

Dear Permit Holder:

We are planning to conduct water right Field Examinations in the vicinity of the above-referenced permits during August and September 2008. It has come to my attention that the above listed permits may have been held by a previous owner of your property. The Permits are for water use from an unnamed stream and/or Alder Creek near Priest River, Idaho. An examination is needed to verify your water use in order to issue water right license(s) for the Permits.

Please contact me to schedule a Field Exam at your property. Please be advised that you, or your authorized representative, will need to operate the water system under normal conditions during the Field Examination.

I can be reached at (208) 762.2816 or via e-mail at [Shaun.Maxey@idwr.idaho.gov](mailto:Shaun.Maxey@idwr.idaho.gov) if you have any questions.

Respectfully,

Shaun M. Maxey  
Water Resources Agent  
Idaho Department of Water Resources, Northern Region
