RE: Notice of Change in Water Right Ownership No(s). 67-14776

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The warranty deed you provided covers the water right 67-14657, which is east of Mann Creek Rd. Water Right No. 67-14776 is located west of Mann Creek Rd. We will need documents that include this water right.

I have enclosed a copy of the water rights in question along with a map of said water rights and the property outline. If you can provide more information that would help us process this ownership change, please send it to the address above or fax the information to 208-334-2348.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
