RE: Change of Ownership for Water Rights 36-10894 & 36-8706

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of water right 36-10894 to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

We were not able to change ownership for 36-8706 as it is in the application for permit stage. An Assignment of Application for Permit is required. I have also included the correct forms for your use.

As there is no fee required for the Assignment of Application for Permit, I will request that a \$25 refund be sent to Land Title and Escrow, Inc.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
