CONDITIONS OF APPROVAL

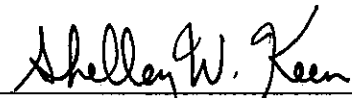

1. Proof of application of water to beneficial use shall be submitted on or before **December 01, 2013**.
2. Subject to all prior water rights.
3. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.
4. Domestic use is for 20 employee housing units and does not include lawn, garden, landscape, or other types of irrigation.
5. Industrial use is for sand, gravel, asphalt and concrete processing.
6. Use of water under this right shall be non-consumptive.
7. Return flow discharged to a subsurface system must be authorized by a separate injection well permit.
8. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.

State of Idaho
Department of Water Resources
Permit to Appropriate Water
NO. 37-22380

CONDITIONS OF APPROVAL

9. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
10. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality permitting requirements administered by the Department of Environmental Quality or the Department of Agriculture.
11. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 20th day of November, 2008.

for DAVID R. LUTHERILL, JR., Director
