Total Acres: 62.0

CONDITIONS OF APPROVAL

1. This right does not grant any right-of-way or easement across the land of another.
2. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
3. The following rights are diverted through point(s) of diversion described above: 63-9661, 63-10022, and 63-10241.
4. This right is limited to the irrigation of a specific 27.5 acres within the 62.0 acre place of use authorized by this right in a single irrigation season. The specific 27.5 acres to be irrigated by the right holder are shown in the electronic shape file associated with this right in the geographic information system component of the water rights database maintained by the department. Before changing the 27.5 acres to be irrigated within the 62.0 acre place of use, the right holder shall submit a new land list and representative electronic shape file or map to the Department prior to the irrigation season in which the change will occur.

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 63-09661

5. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.5 afa per acre at the field headgate for irrigation of the lands above.
6. The diversion and use of water described in this right may be subject to additional limitations agreed to by the protestant(s) and the right holder under separate agreement to which the Department is not a party and which may be enforceable by a court of law.
7. Water bearing zone to be appropriated is from 120 to 192 feet. This right holder shall not deepen or enlarge the well used as a point of diversion for this right unless prior approval is obtained from the Department.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 12th day of November, 2008.

DAVID R. TUTHILL, JR.
Director
