RE: Applications for Transfer for Foster Land & Cattle Co.

Dear Dave:

Enclosed please find three separate Applications for Transfer which will rearrange and move water rights on various properties owned by Foster Land & Cattle Co., the Foster Company, and Foster Agro, Inc. We believe the transfers have been prepared in accordance with IDWR policies and procedures. In particular, we believe the transfers are most simply summarized by the GIS maps we have provided. Please note that we have also included a consent signed by these three entities consenting to the movement of these water rights to the various properties described in the transfers. If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
