RE: Application for Permit: No. 71-10921 and Application for Transfer No. 74715 (Ketchum-Long Island LLC)

Dear Mr. Powell:

The Department of Water Resources acknowledges receipt of the applications on behalf of your client as referenced above. Please refer to the numbers in all future correspondence regarding these applications.

A legal notice of the applications has been prepared for publication in the **Challis Messenger on 11/20 & 11/26/08**. Submittal of protests to these applications will be allowed for a period ending ten days after the second publication. (**December 8, 2008**)

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it may be forwarded to our State Office in Boise for final processing. The Department will notify you of any action taken on the applications and will send you a copy of any approvals. A typical processing time for an un-protested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
Administrative Assistant I
