Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Walker:

The Idaho Department of Water Resources is returning your recently submitted application to appropriate water from Riser Creek since it is incomplete, unsigned and no fee attached. It appears you intend to apply for a water right for two homes under separate ownership and access Riser Creek across other ownerships, which will require proof of an easement. I suggest you contact me at this office and schedule an appointment so the department can help you in filing an application.

If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
