Re: Change of Ownership for Water Right #43-10207, 43-10208,
43-10209, 43-10210
Statutory claim 43-4057
File No. 45631

Dear Ms. Garrett,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights and has modified the records to reflect the change in ownership. Enclosed are computer-generated reports for your records.

Water right 43-4057 was a statutory claim not claimed in the SRBA court. This right was claimed as 43-10210. (See the comments WR#43-4057)

In researching the ownership change I also found an additional water right (43-10209) that was appurtenant to the land purchased. I have changed ownership and I used the fee for the statutory claim to cover the fee of this water right change.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
Clerk
