RE: WATER SUPPLY BANK APPLICATIONS TO LEASE/RENT WATER RIGHT 63-32398

Dear Applicant:

On June 22, 2006, the Department of Water Resources ("Department") received applications to lease water right 63-32398 to the Water Supply Bank ("Bank") and rent this right from the Bank. The proposed rental was intended to accomplish a change in point of diversion and place of use while the Department processed transfer application 73781 for the same purpose. Transfer 73781 was approved on June 3, 2008, and water right 63-32398 is now authorized for the use proposed in the rental application. The Department is returning your Water Supply Bank lease and rental applications since the proposed change was accomplished through the water right transfer process and the proposed lease and rental periods have expired.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,
