RE: APPLICATION TO LEASE WATER RIGHT NO. 63-2539 TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of the Application to Sell or Lease Water Right(s) to the Water Supply Bank ("Bank") received on September 5, 2007. The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The right will automatically be released from the Bank on **December 31, 2008**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right from the Bank, the lessor must submit a request in writing to the Department prior to the release date. Enclosed, for your convenience, is a form to request release or extend the lease term of a water right in the Bank.

The Department is returning your application to lease water right 63-2539 to the Water Supply Bank, received on May 15, 2008, since it appears to duplicate the application submitted in 2007. If you wish to extend the term of this lease, please complete and return the enclosed form.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
