These water rights are for water sources located in the South Fork of the Payette River drainage. These waters are presently and previously used by the Ward family to produce wholesale plant products through Wards Greenhouse Inc. Some waters are also used domestically.

The name currently listed on these water rights is Jack D. Ward, however, Jack passed away on June 18, 2003. It has been an oversight on our part to not request this change at an earlier date. For this we apologize.

Wards Greenhouse is a family owned corporation established in 1962 by Orpha and Jack Ward. I came into the business full time in 1976 and Greg has worked here his entire working life. Upon Jack's passing his share of ownership of the business and property shifted to Orpha, his wife. I am enclosing a copy of Jack's death certificate, an inventory of water rights and some

documents supporting Jacks estate settlement and other supporting documents for ownership. I am also enclosing a check for the fee of \$25.00 per change (\$250.00 total) and contact information if needed. I appreciate your help with this matter.

Sincerely,

David Ward: for Orpha, Greg and David
