RE: Notice of Change in Water Right Ownership Nos. 65-503, 65-509, 65-5638, 65-5640, 65-7903, 65-7167, 65-7904, 65-13344A, 65-13588, 65-5639

Dear Property Owner(s):

Enclosed is a copy of your Notice of Change of Water Right Ownership form that you recently submitted to our office. However, we cannot continue to process the ownership change. Our review of your notice indicates that additional information is required before we can process the change. We need evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating David and Gregs' ownership of the property and/or water rights in question. We also need a copy of the signed and notarized copy of the Personal Representatives Deed that was enclosed with the Notice of Change of Water Right Ownership form.

Because water right nos. 65-13344A and 65-13588 are still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed are assignment forms for your use.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office at 208-334-2190 if you have any questions concerning this letter.

Sincerely,

A handwritten signature in black ink, reading "Jean Hersley". The signature is fluid and cursive, with the first name "Jean" and last name "Hersley" clearly distinguishable.
