RE: Change in Ownership of Water Right No. 96-7337

Dear Mr. Williams:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The department requires a chain of title when the party conveying the property does not match the water right holder's name(s). The quit claim submitted with your notice conveys the property from Bert C. & Barbara J. Spray to you. The names as listed on the water right are Ruth A. Zuehlke &/or Margaret Butler. Please submit the chain of title to show how the property went from the water right holders to Bert and Barbara Spray.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please call me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
