Re: Water Permit Application No. 96-9390 - GUMERMAN

Dear Jim:

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced water right application. A copy of the application follows for your reference.

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of this application, you may do so *after the notice is published* by filing a written protest along with a \$25.00 filing fee within 10 days after final publication, and by sending a copy of your protest to the applicant. This is scheduled for publication June 19 and 26, 2008.

We are sending this to you for your comments, and would appreciate receiving your comments by no later than **July 7, 2008**. That is also the final date for protest to be received in our office.

If we do not hear from you by that date, we will assume that no comment from you means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 762-2819, or by e-mail to Keith.Franklin@idwr.idaho.gov.

We request that you send a copy of your comments regarding, and/or notice that you intend to protest this application to the applicant as well as to our office.

Please contact this office if you have any questions regarding the application.

Sincerely,

Dianne

RE: Application for Permit No 96-9390

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application was prepared and scheduled for publication in the **Bonner County Daily Bee** on June 19 & 26, 2008. We did not make the connection with the paper so publication did not take place on those dates. The legal notice is now scheduled for publication in the **Bonner County Daily Bee** on July 3 and 10, 2008. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Keith E. Franklin
Senior Water Resource Agent

Hi Dianne,

I have searched, but I do not see where your legal is scheduled to run tomorrow. I have been out of the office a lot doing training & I think your notice slipped through the cracks. I found your original email, but can't find where anyone actually scheduled it. I am so sorry. I have been out of the office about 75% of the time since March 30. How can we fix this?

Thank you,

Good afternoon, Sherri,

Just checking on my legal notice that is supposed to start publishing tomorrow and to publish next Thursday, also (July 3 & 10, 2008.)

I haven't received a proof/preview copy yet.

It was e-mailed to you on June 24 (although our letter was dated June 23 - I just didn't get it sent out before I had to leave work on the 23rd.)

Any news on this, please?? Sure hope we're going to make the publication dates.
