Re: Notice of Change in Water Right Ownership, 98-7526

Dear Mr. and Mrs. Zills:

The Department of Water Resources is in receipt of your notice to change the ownership of water right 98-7526, however, before processing can begin the department will need additional information. The proof of ownership submitted is just a commitment to purchase. The department needs a real estate transaction such as a Warranty Deed, Quit Claim Deed or real estate contract verifying the ownership has been transferred to you.

Please provide this additional information within the next 30 days so as not to delay processing. If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
