Re: Notice of Change in Water Right Ownership

Dear Mr. Comegys:

The Idaho Department of Water Resources is in receipt of your notice to change the ownership of water right 98-2110, however, before processing can begin, the department will need additional information. Since the water right is in the name of John Conway, a deed or some other documentation is required showing the ownership transfer from Mr. Conway to Merle and Katherine Olsen.

Please provide this additional information within the next 30 days so as not to delay processing. If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
