RE: Application for Permit No. 37-22385 and Application for Transfer No. 73969

Dear Applicant:

The Department of Water Resources acknowledges receipt of your applications as referenced above. Please refer to the numbers in all future correspondence.

A legal notice of the applications has been prepared for publication in the **Idaho Mountain Express** on **11/5 & 11/12/08**. Submittal of protests to the applications will be allowed for a period ending ten days after the second publication. (**November 24, 2008**)

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it may be forwarded to our State Office in Boise for final processing. The Department will notify you of any action taken on the applications and will send you a copy of all approvals. A typical processing time for an un-protested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
Administrative Assistant I
