Additional hydropower project information: N/A

Additional fish propagation project information: N/A

Appropriation Rule 40.05.c information: N/A

Mitigation Plan or acceptance form: N/A

Evidence of Pre-1987 development: N/A

3. jstanton 10/17/2008 Comment/Analysis

Comment: This application covers an existing well and new home that were constructed this year on land currently owned by the applicants. The land will be sold in a couple of weeks to a buyer who wants a recorded water right for this system, so the current owner/seller filed the app to expedite the sale. A permit is not required, but the proposal seems totally reasonable and approvable. There is probably no reason to advertise this application, so I have not prepared a legal notice.
