RE: Change of Ownership for Water Rights and deficiency of Water Rights 65-22979 & 65-13974

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of water rights in the attached Appendix A to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. However, two of the submitted water rights (65-22979 & 65-13974) are in the permit stage and thus need an assignment of permit form submitted. Enclosed is an assignment of permit form for your convenience. Please fill this form out for the 2 above mentioned water rights and submit it back to our office. Please note the fee for an assignment of permit is the same as for an ownership change and therefore no additional fees are necessary. Please excuse the neglect of bringing this information to your attention sooner.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
