RE: APPLICATIONS TO LEASE PART OF WATER RIGHT NO(S). 36-7042 AND  
36-16476 (formerly part of 36-8775) TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of the Application(s) to Sell or Lease Water Right(s) to the Water Supply Bank ("Bank"). The offered water right(s) is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

Portions of water rights 36-7042 and 36-8775 were offered to the Bank on August 4, 2006. Transfer 73520, approved March 27, 2008, split water right 36-8775 into rights 36-16475 and 36-16476. The portion originally offered to the Bank under right 36-8775 is now authorized by right 36-16476. Since 36-8775 is no longer a valid right, the portion offered to the Bank is accepted under right 36-16476.

The right(s) will remain in the Bank for an "indefinite" lease term unless the right(s) are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the Bank, the lessor must submit a request in writing to the Department prior to the release date.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall  
Water Allocation Bureau
