Re: Transfer Application – Patterson Creek
Water Right No. 73-84, 73-2163, 73-4101

Dear Ernie,

On behalf of Judy Madsen, I am pleased to submit the enclosed *Application for Transfer* for the water rights captioned above. The application proposes to move the point of diversion and create a permissible place of use to more clearly describe an integrated irrigation system. Ms. Madsen will allow Patterson Creek water under her rights to enter the Pahsimeroi River and will pick it up in the P-6 ditch. We have enclosed a compact disc containing the GIS shapefile data for the new place of use.

We understand that the filing fee for this Application is \$610.00. You will find a check for that amount enclosed.

Please contact me with any questions.

Sincerely,

Roxanne Brown
