RE: Notice of Change in Water Right Ownership No(s). 02-10289 & 55-10107

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The deed you provided covers land in Section 4, Township 6S, Range 6 E in Owyhee County. Water Right No. 55-10107 covers a right in Sections 29 and 32, Township 4S, Range 4W in Owyhee County. If you can provide more information that would help us process this ownership change, please send it to the address above or fax the information to 208-334-2348.

Also, Water Right No. 02-10289 has not been decreed by the SRBA. All Basin 02 water rights still in the adjudication process are being handled by our State Office. If you have any questions regarding this water right, please call 287-4800 and ask for the Adjudication Bureau.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
Office Specialist II
