Terry –

Rather than a letter, I'll describe the omission in the application in an email and you can refer to your copy rather than my sending an attachment or enclosure.

Part 1 (6) (b), your page 2 of 14, was not answered. If the property is subject to one of the instruments referenced in this item, a notarized statement must be submitted before processing continues. If not, please have your client answer the question and return the amended page to me.

Thanks – Vicky Music

Vicky –

You should probably send it to my office since we prepared the application. I'll make sure Charlie gets a copy.

Hi Charlie and Terry –

I see that you are both contacts for the applicant for the transfer referenced above. There are some omissions in the transfer application and I need to send a letter regarding the app. To whom do I send the

letter? Thanks -
