Aaron,

I just received the copy of your October 14, 2008 letter to my client. My client, of course, intends to begin using this water right next spring. Therefore, as the attorney for the new lessor of this water right, please consider this the written request to terminate the lease of the right to the Water Right Supply Bank effective immediately. Please let me know right away if you need anything more to release this water right. Thank you.

Jim
