RE: Water Right Nos. 82-10057 and 82-10055

Dear Mr. Schwab:

The Department of Water Resources acknowledges the change of address and has completed the change as requested. As stated in our letter dated July 15, 2008, the Department is also in receipt of an ownership change request which was received on July 5, 2005. The Department also received an ownership change request submitted by Jason Schwab for WR No. 81-4125. This ownership change was processed as Jason included a deed which indicated the property was conveyed from you to him. The reference to Jason's water right was mistakenly included in our letter to you.

The notice of change in water right ownership for WR Nos. 82-10057 and 82-10055 was submitted without the required documentation that the property was conveyed to you. The Department must see a copy of the most recent deed, title policy, contract of sale or other legal document (will or trust) indicating your ownership of the property. The documentation should also include the legal description of the property conveyed. Tax records are not considered conveyance documents.

Please submit a copy of the documentation within the next 30 days. If you are unable to submit the documents within that timeframe, please give me a call at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
