RE: App For Transfer 74345 East Ridge Milk LLC

Dear Mr. Duncan;

In April, you were asked to file a written request for us to hold this application without processing. No such request has been received, however, so I am now formally requesting a written response by September 30. If you want us to continue holding this application without processing, tell us how long you want the application held. If you do not respond by September 30, the application will be processed for denial.

Regards,

James E. Stanton
Sr. Water Resource Agent
