RE: Application for Transfer

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application to allow you to complete the necessary items. The required information is described below.

The Map was not provided correctly. – No map was provided. We need a map with Township Range and Section clearly marked. Also, you must show the place of use and point of diversion

The Proposed Point of Diversion was not provided correctly. On your application you indicated on line item #4 a different point of diversion than what is on the water right 29-2255C.

Please feel free to contact this office if you have any questions.

Sincerely,

Dave Carlson
Water Resource Supervisor
