Re: Change of Ownership for Water Right No(s). 55-2209 & 55-2047

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

However, please note that Water Right No. 55-13821 was not changed. In a letter we sent September 18, 2008, we requested a copy of the State Land Lease that goes with this water right. We have not received this Lease. If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data we will be able to review &/or complete the request for you.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,
