Re: Change of Ownership for Water Right No(s). 67-7282

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

However, please note that Water Right No. 67-79D was not changed. Water Rights that have not been decreed in the SRBA do not require a fee for ownership change. Water Right No. 67-79D has not been decreed. We will be issuing a refund of \$25 to Timberline Title & Escrow. All basin 67 changes that have not been decreed are sent to our State Office. If you have any questions, please call Craig Saxton at 287-4916.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
Office Specialist II
