Re: Application for Transfer, Transfer No. 73922, Water Rt. No. 2-10331

Dear Greg and Susan Sims:

On July 7, 2007, you filed an Application for Transfer of Water Right. A copy of the application is attached. When you filled out the application, you indicated in Part 1(6) (b) that the property was subject to liens, deeds of trust, mortgages or contracts. Item Part 1(6) (b) states that if this is the case, the applicant must provide a notarized statement from the holder of the lien, deed of trust, mortgage or contract agreeing to the proposed changes.

Please submit the required information to allow final evaluation of your application to be completed. You may seek additional time to provide the information by making a written request to delay or interrupt processing. Your written response including the requested information, or a request for more time to seek the information, must be received by May 30, 2008. The application will be voided without a timely reply.

I attempted to call you today; however, the telephone number you provided on the application is no longer a working number. Please contact me at 208-334-2190 and provide a current phone number. Thank you for your attention to this matter.

Sincerely,

Vicky Musick
