PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 95-9333

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") and the license examination fee for the above-referenced water right permit. Enclosed is an order that reinstates this permit, since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for the permit has been advanced to August 13, 2008, as provided in Section 42-218a(2), Idaho Code.

A field examination was conducted on August 7, 2008 to determine and confirm the use being made of the water according to the conditions of the permit. The next step is to review this water right for issuance of a license.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Management Division
