RE: Notice of Change in Water Right Ownership Nos. 65-9578 & 65-9579

Dear Property Owner(s):

Enclosed is a copy of your Notice of Change of Water Right Ownership form that you recently submitted to our office. However, we cannot continue to process the ownership change. Our review of your notice indicates that additional information is required before we can process the change. The information needed is Plat of Property or Survey Map clearly showing the location of the point(s) of diversion and place of use of your water right(s). These are usually on file with the county Planning and Zoning or Recorder's Office.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office at 208-334-2190 if you have any questions concerning this letter.

Sincerely,
