RE: Notice of Change in Water Right Ownership No(s). 65-9578 & 65-9579

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference. Water Right Nos. 65-9578 and 65-9579 are located in the NWSW $\frac{1}{4}$ of Section 25, Township 16N, Range 03E. According to the metes and bounds done by our staff, your property is located in the South $\frac{1}{2}$ of the SW $\frac{1}{4}$ and the South $\frac{1}{2}$ of the NESW $\frac{1}{4}$ of same section.

I have enclosed a copy of the water rights in question along with a map of said water rights and the property outline. If you can provide more information that would help us process this ownership change, please send it to the address above or fax the information to 208-334-2348.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, reading "Jean Hersley". The signature is written in a cursive style with a large, looping initial "J" and a stylized "H".
