RE: Change in Ownership of Water Right 65-13366

Dear applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received 9/19/2007. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question including legal description

The deed of trust provided with your application does not provide evidence that the property was conveyed to you. A deed of trust or mortgage is used by a lender to protect their interest in property. Please submit a copy of your warranty deed, quit claim deed or other evidence demonstrating conveyance of the property to you.

The Department cannot process the ownership change without proper documentation. Your application will be held for 30 days pending receipt of the necessary information. Please contact our department within that time to keep your application active. I can be reached at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions regarding this matter.

Sincerely,

Dayna M. Ball
