RE: Change of Ownership for Water Right 36-14786

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

During our review of water right no. 36-14789, we found some discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your notice. I have enclosed a copy of the proof report for your reference along with a map indicating the location of water right. We need proof of ownership of T08S, R16E, Sec. 16, NE1/4NE1/4.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Brian Cox
Technical Reviewer
